**Subject: Information about COVID-19 (coronavirus) – update no. 7**

Dear Parents/Guardians,

As a follow-up to our March 17, 2020 update on the COVID-19 situation, we are happy to inform you that our Pedagogical Services Department is finalizing the first toolkit of learning activities for your child that will be available over the weekend on our website. At the daily press conference today, Premier Legault expressed that it is unlikely that schools resume at the end of March. We have no further information at this point, but we will keep you informed as soon as we have additional details.

As we tread these uncharted waters together, we remind you to follow the Government directives on social distancing and frequent handwashing. We must continue to protect each other.

Thank you for your continued support and cooperation. We will continue to monitor the situation and keep you informed.
