Dear Parents/Guardians/Employees,

The Sir Wilfrid Laurier School Board has been informed by Santé publique / Centre intégré de santé et de services sociaux (CISSS) of Laval that an individual from Laval Senior Academy has tested positive with COVID-19. The individual returned from a trip abroad and is currently quarantined.

Please find attached the letter from Santé Publique. As indicated in Santé Publique's letter, the risk of transmission of COVID-19 remains low despite this information. Should you have any flu-like symptoms (fever, coughing, or difficulty breathing), please call 1-877-644-4545.

We will continue to diligently follow the directives from Santé publique. In accordance with Santé publique measures, the school board cannot provide any additional information that may lead to the identification of this individual.
