Votre gouvernement Québec

1

Informing the community

The identity of the person who has tested positive must remain confidential as it is required by law to protect the information communicated to us by Santé publique.

2

Conducting an epidemiological investigation

During this investigation Santé publique contacts all identified individuals who have had contact with the person who tested positive for COVID-19.

3

If you are experiencing symptoms

If you are concerned that you may have been exposed to COVID-19 or are experiencing symptoms (fever, coughing or respiratory problems) call 1-877-644-4545. Should it be necessary to get tested, Info-Santé will tell you how to proceed.
