

July 12, 2019

**FIRST DAY OF SCHOOL: TUESDAY, SEPTEMBER 3, 2019**

**LAVAL JUNIOR ACADEMY STUDENTS  
LAVAL SENIOR ACADEMY STUDENTS**

Dear Parent/Guardian,

THE STL WELCOMES YOU ABOARD!

STL is pleased to include among its customers the students of Laval Junior Academy and Laval Senior Academy. It is our pleasure to put at your disposal 36 special routes as well as 47 regular routes.

All Secondary 1, 3 and 5 students will be receiving this month a Photo OPUS Card Application Form from the SWLSB. Please note that if **your child already has an OPUS card and the expiry date shows as "31-10-19", it must be renewed at a metropolitan ticket office** (Cartier Terminus or Montmorency Terminus).

**As of August 1**, new students who don't have an OPUS card and students who lost their OPUS card during the summer will be required to obtain a new OPUS card at a cost of \$15.00 by going to a metropolitan ticket office (Cartier Terminus or Montmorency Terminus) and presenting a **proof of identity and a duly filled Photo OPUS Card Application Form. Please note that this form will be available as of August 20, 2019 at the school's main office.** The new OPUS card will be effective for two years.

As of August 20 2019, the STL monthly bus fare privilege must be loaded on the OPUS card every month at local points of sale providing this service or at NON Terminus. The Sir Wilfrid Laurier School Board reimburses 70% of the bus pass. Your remaining amount will be 30% (\$ 17.40 per month) to pay.

Please be advised that a description of special routes providing services directly to and from school are available on the STL website ([www.stl.laval.qc.ca](http://www.stl.laval.qc.ca)) in the "Students' Zone" section and on the welcome page of the Sir Wilfrid Laurier School Board website ([www.swlauriersb.qc.ca](http://www.swlauriersb.qc.ca)) by clicking on the Transportation & Back to School button. Students will be picked up and dropped off at main intersections and at regular STL bus stops. For more information on these routes or if you have any requests during the school year, you can call the STL Information Department at 450 688-6520.

We look forward to providing transportation services for your children and hope that everything will be to your satisfaction.

Sincerely,

STL - Communications Marketing

SWLSB – Material Resources & Transportation
