

INVESTIGATING PLANTS

OBSERVATION LOG

You can use this log to record your observations about your plants. Record the date that you made your observation, the amount of water added to your plant in milliliters, change from previous observation, and the differences between plants.

DATE: _____

OBSERVATION #__

MARIGOLD

AMOUNT OF WATER _____

CHANGE FROM LAST OBSERVATION _____

BEAN

AMOUNT OF WATER _____

CHANGE FROM LAST OBSERVATION _____

DIFFERENCES

BETWEEN PLANTS _____
