

Handwriting

Learning Objective:

Printing neatly and efficiently

Materials:

- Index Cards
- Markers
- Glue
- Handwritten Alphabet or Cursive Alphabet
- Large Plastic Box

Presentation and Storage:

Prepare a set of 30 or so handwriting cards based on published rhymes and short poems. On the back of each card, glue a copy of the handwritten alphabet for student reference. Laminate the cards. Present the cards in a large plastic box with a snap on lid.

Process:

Students select cards and carefully copy the rhymes or poems onto lined paper. Have them read their work to a friend.

Helpful Hints:

Make several types of lined paper available to children so they can choose paper that is appropriate for them.
