Please check the exam schedule carefully to ensure that you are aware of the dates of **all** your exams. Please note that the last day of regular classes is June 6th. Exams from May 21st to June 6th are done in **regular classes** and, for the most part, they are **on-going**. The starting date is given but it will end according to the student timetable. Please note these exams are extremely important in determining your academic success and in helping to decide your grade level placement for next year. Student's presence is **mandatory** for all exams. Students who miss exams must have a doctor's certificate excusing their absences. An absence as a result of a family crisis may also be acceptable if supported with legal documentation. Students who have more than one exam scheduled at the same time are asked to complete an Exam Conflict form which is available at the front office. In these situations, the time of the exam will be adjusted. Good luck to each one of you in preparing and writing this year's final exams.
