

**CALIFORNIA 2014  
STUDENT – PARENT CONTRACT**

**BASIC CONTRACT**

A great deal of organization and planning has gone into this trip whose purpose is to discover and learn about a new place, and to have a great time in doing so. This opportunity for education and fun should not be compromised by the actions or behaviour of students who are incapable or who simply refuse to comply with the basic rules and/or fail to act appropriately.

The teachers accompanying you on this trip have volunteered to put aside their family and private lives for one week to partake in this exceptional experience with you. They do not want have to deal with disciplinary problems. The participants in this trip must cooperate and respect the rules determined by the coordinators.

Participation in this activity is a privilege, not a right. There are certain criteria, which must be respected in order to guarantee your right to participate.

Any Secondary III, IV or WOTP-1 student may register for the trip, however, any student who has serious disciplinary issues or who fails to meet academic responsibilities (failure of courses or repeated failure to do homework) prior to the departure date will be removed from the trip. No student will be authorized to participate in this activity without the approval of teachers and the principal. Students who have not paid their school fees are also prohibited. During the trip, any student who fails to comply with the zero tolerance policy regarding consumption or possession of any form of drugs or alcohol or who causes disciplinary problems will be sent home at the expense of the parent(s) or legal guardian(s). Furthermore, the cost of the trip or any other costs associated with it will not be reimbursed.

**STUDENT SECTION**

I wish to make a formal request to participate in the educational trip to California. I understand that without the approval of my teachers and principal, I will not be authorized to participate in this activity. I agree to attend any and all meetings in preparation for the trip and to complete any tasks required of me in order to achieve this goal. I also accept and understand that I am responsible for my behaviour before and during the trip. If my behaviour is deemed to be inappropriate, I will be sent home at the expense of my parent(s) or legal guardian(s).
