

LJHS AT THE MONTREAL CHILDREN'S HOUR RALLY

On April 2nd, students all across Quebec gathered at the Bell Centre for a very special event; Children's Hour. Many different schools took part in this fun celebration of youth, and for five hours, no matter what colour, race, gender, or religion you originate from; we were all united as one. Enthusiastic presenters hosted an entertaining show featuring inspiring and moving videos demonstrating the amazing power of children in society. Bullying, never giving up and the school environment were reoccurring themes, as well as multicultural diversity amongst students. We even got the luxury of having

some of our province's very own artists, such as Marie-Mai, William Deslauriers, Ben et Jarrod and Joey Scarpellino, along with many others, perform exclusively

SUGAR SHACK

On April 19th, 44 students from LJHS went on a field trip to a sugar shack. It was a great day! We ate a fantastic meal, went on a wagon ride and had the chance to see exotic animals at the farm. Some students experienced the sweet taste of maple products for the first time. We are looking forward to doing it again next spring!

at the event. Along with their fantastic performances, they offered strong words of encouragement regarding school and bullying, keeping their comments positive, and the crowd excited. A Ferris wheel was set up too, giving rides to select giddy students. The overall atmosphere of the arena was very uplifting, and every person left with a renewed faith and a will to start making a change. It was a very memorable day, and we were very lucky to have been a part of it.
