TAKE ACTION!

Triple 'A' In ACTION is a concept that was created at Laval Junior and Laval Liberty High Schools in 2005 as a student centred model to engage our young people in the daily learning environment.

Get in the game for LIFE!

April 25, 2013 school day flag football festival.

- PLAY WITH PROFESSIONAL ATHLETES
- LEARN HOW TO BRING YOUR BEST GAME TO SCHOOL EVERY DAY!

LEARN

FOOTBALL JAMBOREE student-athletes will receive training on and off the field to enable each participant to 'bring their best' game to school each and every day. Professional athletes, coaches, teachers, CEGEP and University coaches and players and support staff will sharpen the skills of each student.

PLAY

A full day of skill development and a Sir Wilfrid Laurier School Board elementary school tournament on our state of the art sport field. Students will play together on their school teams to practice FLAG football skills and deepen their passion for the game.

GROW

A student-athlete must have a healthy mind, body and soul in order to achieve their best game in life. At FOOTBALL JAMBOREE student athletes will be challenged to learn for success, eat for life, and how to care for their community.
