NEW PROCEDURES: TRANSPORTATION INFORMATION

Back to School 2014-2015 MEMO | June 2, 2014

As of August 20th 2014, parents will be able to access through the SWLSB website their child's transportation information (bus number, stop times, etc.) for the upcoming 2014-2015 school year.

As the information will be available on the website, parents will not receive it by mail as they have in previous years. Our goal is to allow parents to have the necessary information related to transportation quickly and at all times during the school year. Parents will need the following to access the information:

- 1) **Student file number:** 7 digit number on the report card
- 2) **Your postal code**
- 3) **Parent/Guardian e-mail address**

It is important that your child's school has your **accurate e-mail address** as well as all updated information relevant to your child's profile (phone numbers, home address, guardian, custody, etc.) to ensure you receive all communications sent to parents.

Please contact your child's school for any updates and modifications, if required.
