## PRINCIPAL'S MESSAGE

- 
 First term has quickly come to an end and the report cards will be sent home by November 20<sup>th</sup>. The first term will count for 20% of the students' final mark. You will continue to see portfolios, rubrics and number or letter grades on work submitted. When report cards are completed by teachers, the letter grades are converted to percentages. ## OUTDOOR CLOTHING

- The temperature has quite suddenly become much cooler, especially in the morning. The students are outside for fifteen minutes in the morning and thirty minutes during the lunch hour. This is a lengthy period of time and we've noticed that many of the students are not properly dressed for the temperature. Please ensure that your child is dressed appropriately for the weather (coat, mittens, hat, etc.).

## Leadership Team

- In September, twenty-two grade 4-5-6 students participated in a Playground Leadership Training with Miss Tanya and Miss Cheryl, *SWLSB Spiritual Community Animator*. The students are now animating games twice a week at lunch for the younger students, they volunteer at the breakfast program and are busy planning two community events. They are a tea party at a seniors residence and working with LRHS collecting food for Christmas food baskets. Last Thursday, sixteen students participated in the **Incredible Leaders** retreat in Arundel as part of the **Advanced Student Leadership** initiative in partnership between the SWLSB and the CISSS Laval. We were the only northern school to attend and our students were exemplary! Miss Tanya is so proud of them
