Jump Rope for Heart

On April 14th and 15th our students showed their support for healthy living by participating in the Heart & Stroke Foundation's Jump Rope for Heart relay. With the help of Miss Christine and the Pinewood school community we have managed to raise \$4237.87 for this foundation! Fantastic Job!

Earth Day

On April 22nd the amount of full garbage bags was decreased from 9 to 7 thanks to our school community making wise choices. Great job; we hope that we can carry this positive experience on for the remainder of the school year. Every little bit helps!

Grade 6 Graduation Committee

The grade 6 grad committee would like to thank the Pinewood community and their families for supporting their fundraising efforts. The first prize winner of the Montreal Canadians jersey was Mr. David Chartrand and the second prize Aloette's football went to Mr. Raoul Bergamin.

Late Arrivals

Kindly accompany your child to the administration office when your child is late for school. You will need to sign them in so that they are not counted as absent for the day. Please remember that detentions are given for repetitive late arrivals.

Governing Board

The next governing board meeting will be held on May 18th, 2010 at 7:00pm in the Campus A library. If you have topics or questions that you would like to have discussed, please send them in writing to the attention of Luigia Graceffa, governing board chairperson or directly to Mr. Gionet by e-mail to agionet@swlauriersb.qc.ca.

Peanut and Nut-Free Zone

We would like to take the opportunity to remind our parents that Pinewood is a peanut and nut-free school. We have students who have life-threatening allergies to peanuts and nuts. Please pay close attention to the foods your children carry to school.

We are a Peanut and Nut-Free School
