

Code of Conduct

2023-2024

R_{ESPECT}

H_{ONESTY}

S_{ERVICE}

The code of conduct is available to every student and parent on the Mozaik Portal and on our school website. Students and parents should read and observe its contents. Ignorance of the school code of conduct will not be an acceptable excuse for failure to live up to the stated expectations. This Code of Conduct is not an exhaustive list of all the do's and don'ts at Rosemere High School. Administration reserves the right to deem whether a given behaviour is appropriate or not.

1. CODE OF CONDUCT

Rosemere High School is dedicated to providing a safe and cooperative environment that fosters self-esteem, social diversity and academic excellence.

At Rosemere High School, the pursuit of appropriate conduct is a shared responsibility among students, parents and the school. This Code of Conduct establishes clear guidelines for a safe, caring, and orderly environment that promotes purposeful learning.

2. STUDENTS' RESPONSIBILITIES

Students must demonstrate respect for themselves, for others and for the responsibilities of citizenship through acceptable behaviour. Respect and responsibility are demonstrated when a student:

- shows respect for himself/herself, for others and for those in authority
- comes to class prepared, on time and ready to learn
- refrains from bringing anything to school that may put the safety of others at risk
- follows the established class and school rules and takes responsibility for his/her own actions.

3. BEHAVIOURAL EXPECTATIONS

Every school has a set of rules designed to ensure the safety of students and staff as well as promote student learning. Students are held to our school's motto of "Respect – Honesty – Service" at all times.

- **Academic Integrity:**

- All students must be honest and forthright in their academic studies. To falsify the results of one's research, to steal the words or ideas of another, to cheat on an assignment or evaluation, or to allow or assist another to commit these acts corrupts the educational process. Students are expected to do their own work and neither give nor receive unauthorized assistance. Any student who fails to live up to this expectation will be given a grade of "0". Furthermore, Administration reserves the right to impose additional sanctions if necessary.

- **Attendance:**

There is a clear relationship between regular attendance at school and student success. Parents are asked to notify the school of a student's absence by entering it directly in the Mozaik Parent Portal, calling the school at 450-621-5900, or by e-mailing rhsattendance@swlauriersb.qc.ca.

For all absences, it is the student's responsibility to find out what work has been missed and to get caught up by communicating with the teacher, checking on the Mozaik Portal, and attending remediation.

- **Vacation:** The administration, teachers, and support staff encourage parents to refrain from taking additional holidays at times not scheduled on the school calendar. **Students must communicate with the teacher well in advance. Teachers are not obliged to prepare packages for students prior to departure.**
- **Suspension:** Students who miss school as a result of a suspension will be responsible for getting caught up on any missed work upon their return.

Any test missed due to absence may not be rescheduled unless the absence from school is validated by the parent/guardian for a justified reason (e.g. illness, appointment) or by a medical certificate.

Student who miss an evaluation will be expected to remain after school on a day scheduled by administration to complete the evaluation. The scheduled date will be communicated to the student's parents and transportation services will be available.

- **Borrowing equipment & materials**

All students will be held financially responsible for any materials that they borrow from Rosemere High School. This includes, but is not limited to library books, text books, musical instruments, etc.

- **Cleanliness**

- Students share a responsibility for maintaining a clean school environment inside and outside and are asked to use the litter receptacles for their garbage.
- Students are expected to clean up after themselves in the cafeteria and other areas where eating is permitted in the school.
- Cafeteria trays must remain in the cafeteria at all times and any student wishing to bring food out of the cafeteria must purchase the pre-packaged items.
- Food is not permitted on the synthetic field at any time.
- Vandalism, graffiti, and the destruction or careless use of school property is not permitted and the student and parents will be expected to pay the costs of any wilful damage.
- Community service (i.e. cleaning up halls, cafeteria or outdoors) may be assigned to students by administration.

- **Drugs and Alcohol:**

- Possession, use, distribution, showing evidence of having consumed, selling, soliciting, or facilitating the sale of alcohol or drugs is prohibited. Possession of drug paraphernalia or any item purported to be such is also prohibited. This policy is in effect at all times on and off school property during the school day and at all school-sponsored events and trips.
- Students understand that the community encourages them to report any situation which poses a danger to the health and safety of themselves and fellow students or which represents a violation of the law and the code to which RHS is committed. An anonymous reporting tool is available on our website – Confidential Corner.

Students who violate the Drug and Alcohol Policy will be subject to the following disciplinary and guidance actions.

- A report will be submitted to the parents, School Board and/or police.
- The student shall be suspended for 5 days for possession and up to 5 days for other related offenses.
- The student will be restricted from all school activities during the suspension.

In addition, the following action may be taken:

- Recommendation to extend the suspension may be made to the SWLSB.
- An action plan of referral to an appropriate counseling program and doctor will be recommended with the expectation that at least one session will be held during the suspension. The cost of this counselling is to be incurred by the student.
- Recommendation of expulsion.
- Transfer or alternative placement subject to consultation with the SWLSB.

- **Electronic Devices:**

- During class time, electronic devices are strictly prohibited unless the teacher's explicit permission is given. This includes headphones and air pods.
- Personal electronic devices are never permitted during an evaluation situation and will result in the removal of the evaluation and an assigned grade of zero.
- During unstructured time (before or between classes, recess, lunch), personal electronic devices may only be used outside or off school grounds.
- Students found in contravention of these rules will have their devices confiscated.
- Students are strongly encouraged to not bring their devices to the locker rooms during gym class, but to lock them into their regular school lockers. The school is not responsible for lost or stolen devices or for damage incurred while at school.
- The misuse of technology to live stream, record, threaten, ridicule, spread rumours, take pictures or videos without explicit permission, publish pictures or videos without explicit permission, or defame character will not be tolerated and represents a violation of school safety protocols and as such may warrant suspension, police involvement or expulsion.

- **Emergency Procedures:**

- During all emergency procedures, students are expected to remain silent and follow the instructions of the trained staff members. Practices for Fire Safety and Lockdown are held yearly.
- Using the fire alarm or any other safety equipment without just cause is illegal and the authorities will be summoned.

- **Environmental Initiatives**

- RHS has decided to take some important steps toward helping the environment. Single use plastic utensils and water bottles will no longer be made available to our student and staff population. We encourage the staff and students to bring their own utensils and water bottles from home.
- The cafeteria can provide metal utensils for students who do not have their own and students are asked to leave them in the appropriate receptacle in the cafeteria to be washed and reused the next day.

- **Hallways**

- Pushing, shoving, rough play, running or shouting are not permitted.
- Excessive displays of affection are not tolerated.

- **Lockers & locks**

- Each student will be assigned a lock and a locker for personal use during the year. Sharing of lockers is prohibited.

- Students are advised not to reveal their lock combinations to **ANYONE**.
- If a student's lock is intentionally damaged, the student will have to purchase a new one from the school.
- The locker remains the property of the school and the school reserves the right to search any locker when reasonable grounds indicate that the locker may contain anything that could violate sanitary or school rules or the law.
- The school assumes **NO** responsibility for articles lost or stolen.
- **Punctuality:**
 - Rosemere High School believes that success in school is dependent upon punctual, regular attendance. We also believe punctuality has a direct impact on student performance.
 - Punctuality is defined as being in class, at the student's desk, with all the necessary materials when the 2nd bell rings.
 - Consequences for a student who is late to class may include detentions, meeting with parents, class suspension, or school suspension.
- **Prohibited Items and Activities**
 - All bags and purses must be kept in the student's locker at all times during the school day. This includes recess and lunch unless special permission is given by administration under particular circumstances (e.g. injury).
 - Gambling of any kind is not permitted at school.
 - Weapons (real or replica) are not permitted in school and the police will be involved in the interest of school safety.
 - Laser pointers, lighters, water guns, fire crackers, caps, stink bombs, spray paint and other hazardous materials are not allowed on school property.
 - Skateboards, long boards and rollerblades cannot be used on school property at any time.
 - Students may not sell any items at school for personal gain.
- **Respecting our community**
 - Students in Secondary 1 and 2 are NOT permitted to leave school grounds during school hours. This includes the morning bus arrival time, lunch time and afternoon bus departure time.
 - Secondary 3, 4 and 5 students are permitted to leave school grounds but are expected to continue to represent the RHS values in the community.
 - The local depanneur welcomes the business of RHS students, but students may only enter the depanneur two at a time and cannot loiter on their property.
 - Students will not loiter on the private property of our neighbours in the community.
 - Students will not visit Dog River or be found in the woods to the north of the football field.
 - Students will not travel on Montee Lesage beyond Grand Cote.
 - Students will not assemble at any public park in the area as the community and younger children who feel intimidated by high school students generally use them.
 - Students will not visit the area around the Sir Wilfrid Laurier School Board or the back or front parking lots.
 - Students using scooters will not loiter in their designated parking area.

- **School Visitors**

- Students from other schools or former graduates are not allowed in the RHS building or anywhere else on school property during the day without written permission of the administration.

- **Smoking & Vaping:**

- Smoking and vaping in school and within 9 metres of school grounds is illegal. This includes all types of smoking devices, including electronic cigarettes. The school grounds include the football field on the northern side of Northcote, adjacent to McCaig Elementary School, and both the front and back parking lots.
- Any cigarette, e-cigarette or smoking paraphernalia visible on school property will be confiscated and only returned to a parent or guardian.

- **Transportation**

- **Cars, motorcycles and bicycles**

- Students are to respect all the safety rules, especially the one way entrance at the northeast side of the parking lot.
- The parking lots located at the back of the building (entrance from Montee Lesage) are intended for the use of school and board personnel. Students who own cars and drive to school may **NOT** park in these lots. In addition, student vehicles may not occupy access lanes in and out of the lots. Such action may result in the vehicle being towed at the owner's expense.
- Helmets must be worn by students who ride and park their bikes or scooters at school. Reserved parking is available for scooters in the front parking lot.
- Not adhering to these rules may result in loss of parking privileges.

- **Changing school buses**

- School buses are not to be confused with a public transit system. Careful consideration is given to the number of students allowed in each bus. Requests to change buses should be limited to educational purposes, and should be made in writing at least 24 hours prior to the date requested.

- **Public transit**

- It is possible for students to obtain a student bus pass for reduced fare on city buses. The application forms are available at the secretary's office.

4.

PHYSICAL EDUCATION AND DANCE COURSES

- All students are expected to participate in Physical Education and Dance classes unless excused for medical reasons. Such exemptions must be supported by a letter from a physician. Our outdoor education program runs all year long. These important units sometimes have our classes outside during cold and damp weather. For these reasons students need to be dressed accordingly.
- When students are in the Weight Room, they are required to bring a towel.
- Being “on time” for Physical Education and Dance class means being changed and in the designated gym by the time the 2nd bell rings. Students are expected to use the recess time to change for class.
- It is recommended that students:
 - bring no watches, rings, earrings, etc.;
 - wear hair tied back;
- Students must dress appropriately for all outdoor activities and must be prepared to participate in these activities.
- Gym lockers are **only** available for student use during the period they have gym or an activity. Students must bring a lock to place on a gym locker during class time.
- Students should not place valuables (e.g. cell phones) in their gym lockers as RHS is not responsible for any lost or stolen items.
- A medical note is needed after the 2nd missed class.
- We are enforcing a policy requiring the obligatory use of safety glasses for all racquet and stick sports.
- **School Run:** Please be aware that all students will be jogging in the streets of Rosemere for our running unit in preparation for our annual school run. If you have any concerns please contact the school.
- **Physical Education Uniform:** Students are expected to change for all Physical Education classes (including Soccer Concentration) and to wear appropriate footwear.

Students are required to wear athletic gear (e.g. T-shirt and shorts, sweatpants, leggings and running shoes. No denim.) A hoodie may be worn in colder weather.
- **Dance** class students must wear the following apparel to class: t-shirt or sweatshirt (round neck), tights, sweatpants or shorts.

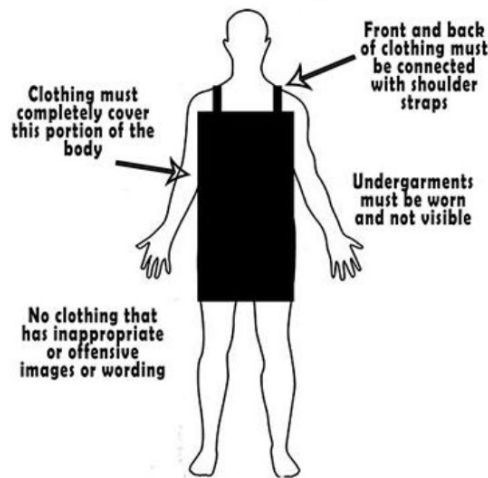

5. **DRESS CODE**

Rosemere High School respects students' rights to express themselves in the way they dress. All students who attend Rosemere High School are also expected to respect the school community by dressing appropriately for an educational environment. This policy is intended to provide guidance for students, staff, and parents.

It is expected that student dress be neat and clean so that each student may share in promoting a positive, respectful, healthy, and safe atmosphere.

Student dress will be the responsibility of the student and of the parents, within the following guidelines:

- All students must wear shoes, boots or other types of footwear.
- Pajamas and house slippers are not appropriate for wear at school unless they are a part of a school sponsored activity.
- Ripped clothing (top or bottom) is not permitted.

- Articles of clothing with insignias or slogans that are disruptive to the educational process are not permitted. This includes clothing and accessories that display information about alcohol, drugs, profanity, violence, or sexually suggestive slogans or drawings.
- Students may wear hats and hoods in school, but have to remove them if requested by their classroom teacher.
- Students should comply respectfully to any request by a staff member involving the dress code. When, in the judgment of administration, a student's appearance or mode of dress is considered inappropriate, the student will be required to change before attending any classes. Appropriate clothing may be provided by the school.
- Students who do not adhere to these guidelines will be disciplined according to the Code of Conduct.

***Administration has the final decision on whether certain attire is acceptable. ***

6. **BULLYING & VIOLENCE***

Bullying and violence run contrary to the values of the RHS community. Parents, students and staff will do their utmost to maintain the dignity of all individuals. We also understand that an effective deterrent to bullying and violence is education aimed at the bully, the bullied and the bystander. The bully must accept responsibility for his/her actions with the full understanding that such contempt for the dignity of others carries swift consequences.

“Bullying” is defined as any repeated direct or indirect behaviour, comment, act or gesture, whether deliberate or not, (including in cyberspace), which occurs in a context where there is a power imbalance between the persons concerned and which causes distress, injures, hurts, oppresses, intimidates or ostracizes.

“Violence” means any intentional demonstration of verbal, written, physical, psychological or sexual force that causes distress and injures, hurts or oppresses a person by attacking their psychological or physical integrity or well-being, or their rights or property.

The following actions constitute bullying and/or violence if they meet the above-mentioned criteria:

- Physical acts, such as inappropriate, unwanted, uninvited, or hurtful physical contact with another; stalking; sexual assault; and destruction or damage to property of another;
- Written and electronic communication of any type that would constitute bullying, using any medium (including, but not limited to, cell phones, computers, websites, electronic networks, instant message, text messages and emails);
- Verbal threats made to another, including blackmail, bribing or demands for protection money;
- Direct or indirect, relationally aggressive behaviour such as social isolation, rumor spreading, or damaging someone’s reputation;
- Posting fights/incidents or pictures about others on any social media platform.
- This includes bullying or violent incidents that create a disruption in the school setting and/or at school-sponsored activities and events, even if they occur off school grounds.

In addition to the conduct described above, examples of conduct that may constitute bullying or violence include the following:

- Blocking access to school property or facilities;
- Stealing or hiding or otherwise defacing books, backpacks or other personal possessions;
- Repeated taunting, name-calling, belittling, mocking putdowns, or demeaning humor relating to a student’s race, color, gender, gender identity, sexual orientation, ancestry, religion, disability, or other personal characteristics.

The lists above are not exhaustive. They are intended to provide examples of various types of bullying and/or violence. * As per LAW 19, please refer to the complete RHS’ Anti-Bullying Anti-Violence (ABAV) Plan at:

<http://www.swlauriersb.qc.ca/schools/rhs/News%20Flash.HTML>

REPORTING BULLYING AND/OR VIOLENCE:

Any student who witnesses an act of bullying or violence has an obligation, as a responsible member of the school community, to intervene if the situation does not threaten their well-being, or to report the incident to school authorities.

An incident of bullying and/or violence can be reported verbally (in person or by phone) to any staff member, in writing (by email, by letter addressed to the school administration) or anonymously through the Confidential Corner (link on our website). The school will take the necessary measures to ensure confidentiality of all parties.

EMBRACING DIVERSITY

Everyone at Rosemere High School has a right to attend school without being demeaned or abused.

Any act, direct or indirect, that mocks or demeans others because of their race, ethnic background, gender or gender identity, sexual orientation, religion, disability, etcetera, is completely unacceptable and contravenes our code of conduct and the basic expectations of respect and decency.

In all cases, administration will determine the appropriate consequence and will inform the student's parents.

7. CONSEQUENCES

Moreover, further detentions and community service may be assigned in addition as deemed appropriate by the administrator. A student who disagrees with a detention cannot unilaterally decide not to attend.
- Missing a detention is a serious offence. Arriving late for a detention will result in having to make up the time. It is the responsibility of the student to notify teachers when there is a conflict.
- Any student who misses a lunch detention given by a teacher will be referred to administration.
