Subject: Information to parents – Update #10

Dear SWLSB Families,

Following Wednesday’s Premier’s press conference, new measures were announced to continue limiting the spread of the COVID-19 virus.

**DECLARING COVID-19 CASES DURING THE HOLIDAYS**

Although our buildings are closed during the holidays, we must continue to monitor the COVID cases and isolation cases in our schools and centres as per Ministry requirements. Therefore, parents/guardians are asked to complete a [COVID-19 declaration form](#) during the holiday period if your child:

- Tests positive to COVID-19 or
- Was in contact with a confirmed case of COVID-19 and must isolate

This information is sent in all confidentiality to the school board’s COVID team who must keep track of cases in partnership with each CISSS on our territory (even during the holidays). The link to this form is also available in the COVID-19 section of the school board [website](#). Your continued collaboration will maintain and support our efforts in keeping our schools and centres safe upon your child’s return in January.

**BEFORE AND AFTER HOLIDAY MEASURES**
