

COMMISSION SCOLAIRE SIR-WILFRID-LAURIER
SIR WILFRID LAURIER SCHOOL BOARD

August 9, 2020

Dear SWLSB parents and employees,

We hope everyone enjoyed their well-deserved summer break.

This summer the head office teams have been working hard executing numerous building maintenance projects in our schools and centres. We have also been working on back to school and emergency protocol plans in anticipation of the directives from both the Ministry of Education (MEES) and Public Health authorities which will be announced Monday, August 10th, during a press conference scheduled at 1 pm.

Although the MEES has asked all school boards to submit their emergency protocol plan by September 15th, the SWLSB will be sharing its' back to school and emergency protocol plans with stakeholders during the week of August 17th. This preliminary plan will be subject to revision following the MEES directives, as well as community feedback.

I wish to thank our Council of Commissioners, Parents' Committee, Special Education Advisory Committee (SEAC), unions and associations, as well as each of you for the role that you play in contributing to the success of our students. Your feedback is always valued and appreciated.

Here are some key dates and information:
