This is the last memo I will be writing to you as Principal of LJHS. As the school year slowly draws to a close I would like take the opportunity to thank you for the support and cooperation that you have given me over my six years as principal of the school. I look back on my time at LJHS with a feeling of satisfaction that a great deal has been accomplished. It is with sadness that I leave but with enthusiasm and optimism that I look forward towards beginning a new chapter at Mc Caig Elementary School.

To the many people who have contributed to the development and growth of our school community, I would like to express my sincere gratitude and congratulate you on a job well done. To the students I would like to leave the following advice: "Believe in yourself and all that you are. Know that there is something inside you that is greater than any obstacle".
