Student-Led Conference

Dear Parents,

On Thursday, February 25, 2010, the kindergarten classes will be holding a Student-Led Conference.

Your child will show you, through various activities, what he/she has learned. Your child is therefore actively leading and participating in the presentation of their work. We believe that, through this format; you, the parent will obtain a more accurate perception of your child's success and challenges in school.

We, the teachers, will be on hand to answer any questions or concerns that may arise during this conference. You will need approximately 30 minutes to complete the 6 activities presented by your child.

Please be patient, listen, praise and help your child set goals for the following term.

In order to give each family opportunity to fully participate and appreciate the Student-Led Conferences, each student will be assigned a session to attend.

Hoping to see you and your child on February 25th.

Thank you

The Kindergarten Teachers
