STUDENT-LED CONFERENCE NIGHT

Dear Parent(s)/Guardian(s),

On **Thursday, February 25th, 2010**, we will hold a school-wide Student-Led Conference Evening, from 5:30pm – 7:30pm, for all cycles.

Term 2 is coming to a close on March 12th. Your child has kept a portfolio containing a compilation of the various works he/she created as well as the learning assessments in the different subject areas. On Thursday evening, your child will be accompanying you to school to present his/her portfolio to you. You will need approximately twenty minutes to listen to a “guided tour” of the portfolio given by your child. Then please discuss, ask questions and PRAISE, PRAISE, PRAISE your child!

When you look at your child’s work, you will see at a glance how your child is developing as a reader, writer, and thinker. You will also gain a better understanding of your child’s thoughts and values.

We believe that learning is a cooperative endeavor between the school and home, so once again, we thank you for taking the time and interest to remain involved in your child’s education. Enjoy your conference!

On behalf of the team of Pinewood Elementary School Teachers,
Warmest regards,

A.Gionet
Principal
