SEE NEXT PAGE FOR SPECIAL INSTRUCTIONS

SPECIAL INSTRUCTIONS

EXAMS DURING CLASS TIME

There are many exams held in May and June that occur DURING SCHEDULED CLASS TIME. Teachers will be informing their students of exactly when they will be held. There are also Secondary 5 English and French exams in May and June. These are ministerial exams and are indicated on the Secondary 5 exam schedule.

DROP-IN TUTORIALS

Tutorials are offered for students wishing to have a space to study with access to their teacher for questions. These are “drop-in” tutorials, meaning the students’ attendance is voluntary.

ABSENCES

All students and parents are reminded of the importance of being present for exams whether they are written in class or during the examination period. ANY ABSENCE FROM EXAMS MUST BE ‘JUSTIFIED’ BY A MEDICAL CERTIFICATE, COURT SUMMONS OR DEATH IN THE FAMILY. As outlined in the Student Agenda, parents are requested not to schedule vacation time during the exam period as these exams cannot be rescheduled.

CODE OF CONDUCT

The regular Code of Conduct applies during the exam period. Secondary 1 and 2 students are NOT permitted to leave school grounds during the exam period.

CAFETERIA

The cafeteria will serve lunch up until and including June 6th. The cafeteria service area will be closed as of June 7th.

LATE TO AN EXAM

Students who are more than 30 minutes late may not enter the examination room without an administrator’s approval. Students arriving after the 30 minutes must sign-in at the General Office and get an admit slip from an administrator. The missed time will not be added to the end time. **If the late arrival is later than the halfway mark of the exam, the student will not be permitted to write the exam.**

BATHROOM BREAKS

Students may not leave the exam room for the first hour of the exam, unless it’s an emergency, and then only when accompanied by a supervisor.

BUS SCHEDULE DURING EXAMS

During exam time the bus schedule will remain the same as it has all year round. Buses will be available up until and including June 21, as per the regular schedule. Parents are strongly encouraged to pick up their children as soon as their exam is over. Students may use their cell phones to notify parents that they are ready for pick-up.

ELECTRONICS

All electronics (cell phones, Apple watches, air pods) have to be left in the student’s locker. Any student found with these electronic devices in their possession during the exam will have their exam confiscated and given the grade of zero.

TUTORIALS

Students may attend the tutorials in the various subjects as per the schedule. Tutorials will occur in the teachers’ regularly scheduled classroom unless otherwise announced.
