

Ste. Agathe Academy Goes Sliding

Written by the grade 2 class

On January 14, 2011, the grade 2 class of Ste. Agathe Academy went to the ice castle at Place Lagny. It was a beautiful, sunny day, and it only took 10 minutes to walk there. Luckily, we were the only class there so it wasn't crowded and we were able to have lots of turns. All the slides were fast and 2 were bumpy. It was lots of fun thanks to the very helpful man who works at the top! It was awesome!
