Parent Involvement

Parents are encouraged to become active partners of the school through various types of involvement.

Governing Board

The governing board represents a decision-making body which is recognized by the Education Act and the Ministère de l'Éducation (MEQ). The committee is formed of parents, teachers and support staff. Members are elected by their peers at the general assembly held at the beginning of each school year. Parents are elected to serve a two-year term.

Home & School | Volunteering

The Home & School Association is a dedicated group of parents who are committed to helping and enriching our students' school life.

Daycare

Our daycare is open daily from 7:00 a.m. until the start of school and from the end of the school day until 6:00 p.m. You can reach our daycare technician by calling 450 680-3035, extension 7017.

Educational Project

To ensure all students achieve success in their academic growth and personal development through:

- the provision of a variety of learning settings wherein students are actively involved in their own education;
- the creation and promotion of timely intervention systems ensuring safe learning conditions for all students;
- the promotion of bilingualism in all aspects of instruction to boost critical thinking, communication, cooperation and collaboration in our multicultural world;
- the integration of technology in keeping with the advances of today's fast-paced world;
- the commitment to a healthy and active school environment.

Mission

To offer an inclusive bilingual program that meets the needs of diverse learners through rigorous academic learning experiences

Vision

Genesis Elementary School and its community believe that the success of its children is a collective responsibility. It is a partnership which actively involves the child, the school and the home. We strive to help students to achieve the best of their abilities and to instill in them the lifelong love of learning.

At Genesis Elementary School, we provide a positive and cooperative learning environment that fosters respect, responsibility and safety. These values promote personal growth, independence, self-motivation and academic achievement. We provide our students with the opportunity to acquire the skills needed to succeed and we prepare them for future challenges and opportunities.
