

Subject-time Allocation

At Hillcrest Academy, we offer the curriculum outlined by the Québec Education Program.

We are an immersion school that follows a one week English, one week French schedule. It is 50/50 English/French. Mathematics, however, is taught in English on both weeks.

Kindergarten is 80% French.

After-school Activities

Hillcrest Academy is proud to offer a wide range of after-school activities such as Greek, Hebrew, Basketball, Soccer, Floor Hockey, Cooking, Catechism, Karate, and Yoga (list is subject to change).

Parents may register their child for the activity sessions. Details regarding schedules and costs are available by visiting our school website during the registration periods.

For further information, please contact Carmela Andradi at haafterschool@outlook.com.

Home and School Association (HAHSA)

The Home and School Association is very active in supporting the many programs and activities at Hillcrest. Volunteers are always available to help out with classroom activities, field trips and special events. With the strong support of parents, HAHSA was able to defray the costs of field trips, social and cultural events. Fundraising is an essential part of the school's success.
