Dear SWLSB Families,

This letter follows our last communication sent on March 29 in which we informed you that Secondary 3, 4 and 5 students would be returning to their original hybrid schedule until further notice, in order to ensure proper planning for their full-time return to school.

We wish to inform you that the following schools are ready to welcome back all their Secondary 3, 4 and 5 students in full-time physical presence as of next Tuesday, April 6.

- Laval Senior Academy
- Sainte-Agathe Academy
- Joliette High School
- Laurentian Regional High School
- Rosemere High School
- Lake of Two Mountains High School

In this respect, a resolution concerning the safe and successful full-time return of students was adopted at tonight's Council of Commissioners meeting. To read this resolution, please click on this [link](#).

Rest assured that our high schools will continue to diligently follow the sanitary measures from Public Health and, when and where required, will put in place additional safety and security measures according to their respective reality.

Please note that you will also be receiving specific information directly from your school.

We wish to reiterate that the health, safety and well-being of our students and staff remain our utmost priority. We take this opportunity to thank all students and families once again for their ongoing collaboration which is greatly appreciated.
