NOTE: DESCRIPTION OF THE FOUR ALERT LEVELS			Vigilance	Early Warning	Moderate Alert	Maximum Alert

DESCRIPTION OF THE FOUR ALERT LEVELS

Vigilance (green). Basic measures

(LEVEL 1)

Activities maintained in compliance with public health directives.

Early Warning (yellow). Strengthened basic measures

(LEVEL 2)

Activities maintained in compliance with public health directives, but with added enforcement of measures, such as increased fines. Required when there's an increase in transmission.

Moderate Alert (orange). Intermediate measures

(LEVEL 3)

New measures that target specific sectors of activity where the risk of transmission is deemed higher.

Maximum Alert (red). Maximum measures

(LEVEL 4)

Includes additional and more restrictive measures that could extend to prohibiting non-essential activities, while avoiding as much as possible a province-wide confinement.
