#### 4.0 Engagement of Contractor – Removal of Asbestos – Souvenir ES

The Director of Material Resources and Transportation advised that the basement at Souvenir Elementary School is being renovated in order to accommodate the new Pre-Kindergarten and existing Kindergarten classes for the 2019-2020 school year. There is asbestos and it needs to be removed so that the project can move forward. The cost for the removal was higher than expected but it should be covered within the project budget.

The Chairperson noted that due to the urgency of this project a decision had to be taken prior to the June 26, 2019 meeting of the Executive Committee so its functions and powers were withdrawn and then reinstated because the cost of this renovation project falls within the scope its delegations.

Engagement of Contractor WHEREAS the Ministère de l'Éducation et de l'Enseignement supérieur (MEES) announced that beginning in the 2019-2020 school year a Pre-Kindergarten program would be implemented throughout Québec for schools that are rated 6, 7, 8, 9 or 10 on the socio-economic scale;

Removal of Asbestos  
Souvenir ES
