0.0 Opening of Meeting

0.1 Acknowledgement of the Land

"We [I] would like to begin by acknowledging that the land on which we gather is the traditional territory of the Kanien'keha:ka or Mohawk nation. The Mohawk Nation is also known as the "Eastern Door Keepers" and is a member of the Haudenosaunee Confederacy, which also includes the Seneca, Cayuga, Tuscarora, Onondaga and Oneida Peoples.

All those who gather here are counted as esteemed stakeholders in our community and most importantly friends."

2.0 Recognition – OSEntreprendre Challenge

The Chairperson provided background information on the OSEntreprendre Challenge (OSEC) noting that it is a province-wide contest that encourages entrepreneurial projects and the development of the entrepreneurial spirit of students through initiatives. In this year's OSEC, twenty-one Sir Wilfrid Laurier School Board schools from all three regions participated and, this evening, the Council is proud to honour the winners at the local level of the OSEC:

- Franklin Hill Elementary School → Elementary Cycle 3 category: *FHES: A sustainable school in action!* has won at the local level for Lanaudière – Kathleen L'Archevêque, Melissa D'Ambrosio and their Cycle 3 students;
- Laurentian Regional High School → Secondary Cycle 1 category: *The Café* has won at the local level for the Laurentides – Katrine Marrin and her students;
- McCaig Elementary School → Elementary Cycle 3 category: *Let's Grow* has won at the local level for the Laurentides – Vicki Fraser and her Cycle 3 students;
- Mountainview High School:
 - Secondary Special Education: *Chicken Coop Haven* won at the local level for the Laurentides – Pamela Elliott and her students;
 - Secondary Cycle 2 category: *Upcycle Therapy* has won at the local level for the Laurentides – Nick Klein and his students.

A special thanks to Gloria Longo, Pedagogical Consultant, who supported the schools in the OSEC.

The Chairperson asked the schools to comment on their respective projects and extended additional congratulations to everyone noting that the school board is very proud of their accomplishments. He noted that the Council is always interested in what is taking place in the schools and centres and encouraged schools to invite Commissioners to events. He opened the floor to Commissioners:

- Commissioner Bob Pellerin congratulated all the students and staff involved in these projects noting that it is heartwarming to see their spirit;
- Commissioner Donna Anber commended all the teachers and principals for undertaking to teach outside of the classroom as sitting at a desk does not always meet the needs of everyone;
- Commissioner Melissa Wall noted that these projects give students a sense of belonging.

The Chairperson, again, thanked everyone who worked on these projects as they are a great way to learn valuable skills and bring students together. Tomorrow evening, the winners of the regional OSE Challenge will be announced and, if students win, they will be honoured at the May 25, 2022, meeting of the Council.

4.0 Question Period

The Secretary General and Director of the Legal, Corporate and Communications Department explained the parameters of the two question periods and drew attention to where people online can type in their questions for the second question period.

She noted that the second question period is for questions related to agenda items only.

She continued noting that the following question had been received from Vicki Fraser, a member of the Rosemere High School (RHS) Governing Board:

Although the calculation for number of administrators is based on weighted enrollment, ISME, number of buildings and number of staff, given that there has been an increase in bullying and acts of violence (58 in 2020-2021 and 80 so far in 2021-2022), videotaping of acts of violence which are then shared on social media, observation of an increased lack of social skills, an increase of disrespect, an increase of vaping in the school, vandalism, verbal abuse to teaching and non-teaching staff, many RHS parents and students sharing their concern with the great amount of issues

which have arisen this year, because all of the RHS feeder schools have increased in numbers and RHS is on the cusp of having a 10% increase in student numbers (it seems as though we are only approximately 6-7 students away from this), RHS administration cannot properly implement the ABAV plan, and the junior high school in Laval with 400 less students than RHS has 2 VPs, can an additional administrator be added to Rosemere High School beginning in the 2022-2023 school year?

The Chairperson thanked Ms. Fraser for her question indicating that with increasing enrolment there are several schools facing the same challenge. The Council appreciates that this concern has been brought to its attention. He asked the Director General for her input on this concern.

The Director General concurred that the increasing enrolment and the need to ensure that all schools have the required number of administrators is a concern. The RAC (Resource Allocation Committee) does look at the numbers but it does contextualize students and staff when allocating resources. Most of the RAC membership is made up of in-school administrators, so the in-school needs are well understood and taken into consideration. The concerns of RHS are heard. The Governing Board expressed its needs well in its response to the consultation on the criteria for the selection of a principal. It must also be noted that there are some decentralized measures that can be used to provide additional resources to answer specific needs within a school.

She continued by noting that she is in contact with the Principal of RHS to identify what can be done to provide support. The overall situation evolving at RHS is being monitored, whether it is the increasing enrolment or incidents. There are support tools for the implementation of the ABAV Plan and discussions with the Principal will take place to find viable solutions.

The Chairperson noted that Commissioner Olivia Landry is part of the RHS school community, is aware of the concerns, and has addressed them with Council members and the Director General.

The Secretary General and Director of the Legal, Corporate and Communications Department indicated that there were no further questions.

5.0 Report from the Chairperson

The Chairperson welcomed everyone at the meeting and presented his report as follows:

- April 7, 2022 – As an invitee to the Parents' Committee meeting, the Sir Wilfrid Laurier Foundation (SWLF) made a presentation on its mission and non-profit works in collaboration with the school board, local businesses and other partners. The SWLF was established in 2005 and since that time has been able to give back more than \$900,000 in the form of bursaries, equipment, etc. The January and June galas are the events where a large portion of the fundraising takes place. Although not a fundraising event, the Laurier Gala & Star Fest is sponsored by the SWLF, as it honours student achievement and showcases the amazing talent of the students within the school board;

- April 14 and 23, 2022 – Auditions were held for the Star Fest portion of the Laurier Gala and Star Fest. It was wonderful to be able to have live auditions and the judges faced hard choices when selecting the sixteen acts that will perform on May 26, 2022;
- April 19, 2022 – Attended Laval Junior Academy's (LJA) Truth and Reconciliation initiative with Parent Commissioner Adam Gordon. In 2018, the Council created a First Nations, Métis and Inuit Committee to address the needs of this community within the school board. Pedagogical Services has also been instrumental in ensuring that the students in the schools receive indigenous education. Special thanks to the Principal of LJA and his team, as well as all teachers who promote truth and reconciliation education in the classroom and those who strive to make everyone feel valued;
- April 21, 2022
 - Visited Laval Junior Academy with Commissioner Donna Anber and the Director General to tour the newly renovated wing of the school that includes a *condo* for learning life skills and a sensory room for the development of sensory skills and good decision-making. The tour included being able to observe how these rooms work and it is very interesting to see the teachers with the students in these rooms and what a calming effect the surroundings can have;
 - Visited Laurentia Elementary School with Parent Commissioners Tara Anderson and Adam Gordon, along with the Assistant Director General and the Director of Material Resources and Transportation, to look at some of the more difficult challenges that the school is facing with space. There are changes planned that will address these challenges;
- April 26, 2022 – The QCGN (Quebec Community Groups Network) held a press conference on Bill 96: *An Act respecting French, the official and common language of Québec*, to publicly oppose the Bill, as it is appalling and divisive, and will have a huge impact on the English community of Québec and others. On May 14, 2022, QCGN will be holding a public rally on Bill 96. The Québec government has done some backtracking on Bill 96, in that rather than having CEGEP students take three core subjects in French, they will now have to take three French courses.

Community Comments

- Commissioner Melissa Wall advised that on April 1st the Mountainview Elementary School staff pranked the Principal by wrapping up everything in his office and washroom. A good laugh was had by all as it promoted team spirit;
- Commissioner James Di Sano noted that Laval Junior Academy held its 2nd Annual Adopt-a-Tree fundraiser;
- Commissioner Donna Anber advised that Grenville Elementary School was interviewed by CBC for their efforts in raising \$1,200, for Ukraine through a bake sale, which is impressive for a school with only 77 students;
- It is Administrative Professionals Week and these persons are appreciated because even though you may not see them, they are always working hard in the background to ensure that things run smoothly;
- Commissioner Olivia Landry congratulated McCaig Elementary School on a great in-person comedy night.

6.0 Report from the Director General

The Director General presented her monthly report noting the following in relation to the Commitment-to-Success Plan (CTSP):

Orientation 2: Offer students a variety of choices through 21st century programs and curriculum

- Congratulations to the two students from Laval Junior Academy and the twelve students from Laval Senior Academy on their awards of distinction received at the 2022 Montréal Regional Science & Technology Fair. A special thanks to the teachers at Laval Junior Academy and at Laval Senior Academy, for their devotion to the students in this competition;
- It must be highlighted that these two schools are public schools competing against a large group of private schools and CEGEPs. Congratulations to these students and the school teams on their success;

Orientation 1: Retain and support quality employees

- Administrative professionals are silent leaders in the schools/centres/head office that help make sure that everything runs smoothly. Congratulations to all who make a difference every day;

Proud Moments

- April 20, 2022 - McCaig Elementary School Gladiators hosted their 12th Annual International Ice Hockey Tournament with opponents from France and Switzerland. This was a very successful event. It celebrates sportsmanship and also represents Orientation 5 of the CTSP, *Engage students in physical activities 60 minutes a day*. A special thank-you to Dan Strina, Teacher at McCaig, for all the work he puts into this tournament to promote student engagement;
- *Laurier News Bulletin – Earth Day Special Edition*: This special edition was sent to all stakeholders and it is worthwhile to take the time to watch it. It is on sustainable development. Congratulations to the Communications team on this interesting special edition;

Upcoming Events

- May 18, 2022 - CDC Pont-Viau will be holding an in-person open house from 5-8 p.m. Everyone is invited to come to explore the paths to success that the centre offers. The school board is proud to say that the majority of graduates from programs at CDC Pont-Viau have excellent job opportunities. The school board often hires graduates of these programs;
- May 26, 2022 – The annual Laurier Gala & Star Fest is back and will be held at the Château Royal in Laval;
- June 9, 2022 – The Lobster Gala is also returning and will also take place at the Château Royal.
