**Subject: Transportation update**

Dear families,

We thank you for reading the following update carefully.

**Agreement Reached with Groupe Renaud and Autobus G.D. Paquette**

We wish to inform you that Groupe Renaud and Autobus G.D. Paquette will be offering transportation services for students as of Tuesday, September 6<sup>th</sup>.

You can access your child's bus routes on the [Mozaïk portal](#).

**Bus Driver Shortage**

It is important to note that the **staff shortage among bus drivers remains a reality**. As such, some busses may run late, or may not run at all on some occasions.

Should your child's bus route be cancelled or delayed, we will communicate with you by email and [SMS](#). Therefore, families are strongly encouraged to continue having an alternate plan should transportation services be disrupted.

We understand that this situation poses challenges to our families and we thank you for your patience and collaboration during this past week.
