## ADOPT vs APPROVE ?

In the Education Act, the words **ADOPT** and **APPROVE** have distinct meanings:

- ADOPT = the right to modify, add, delete and otherwise rework a proposal
  - ➢ Governing Board Annual Operating Budget (EA <u>66</u> and <u>108</u>)
  - > Schools and Centres Annual Budgets (EA 95 and 110.4)
- APPROVE = the power to accept or to refuse a proposal as presented without the right to make modifications
  - School fees (EA <u>75.0.1</u>)
  - School Supplies (EA <u>77.1</u> and <u>110.3.2</u>)

## Governing Board's Responsibilities

Section 75.0.1 of the Education Act

GB is responsible for approving **any financial contribution**, proposed by the Principal, for:

- services provided within the scope of **special school project** or **activities** determined by the Regulation.
- documents in which students write, draw or material for personal use.
- supervision costs.

## **Governing Board's Responsibilities (Youth and VT)**

### Section 77.1 of the Education Act

- To establish the **principles** for determining the cost of the documents in which students write, draw or cut out and the material for personal use (based on the Principal's proposal).
- Approve the list proposed by the Principal (which is developed in collaboration with the teachers) of the material used for personal use (school supplies).
- When establishing principles or approving the school supply list, the GB must take into consideration the school's boards policy on school fees and the other financial contributions that may be claimed for childcare, transportation and lunch time supervision.

### **EXAMPLE of principles for School Fees CHARGED TO PARENTS**

Note that the limits established by the SWLSB Policy need to be respected at the base. The ideas below are only examples of principles.

### **PRINCIPLES:**

- The amount of fees charged should be the same for all classes of the same level or for similar programs in the same school;

- The pricing reflects the actual costs;

- Workbooks, teacher-created materials and other consumables will be itemized and not exceed \$\_\_\_\_; (SWLSB Policy states maximums for each level – please consult the policy and respect these maximums)

- Costs will be kept as low as possible;

- Consistency in costs across grades;
- The fee of the agenda will be a maximum of \$\_\_\_\_;

## **School Fee Policy – Youth Sector**

### Scope

• This <u>policy</u> applies to the financial contributions charged to SWLSB parents in the **preschool**, **elementary and secondary** sectors.

## School Fee Policy Additional Guidelines

- Fees must be justified and reflect real cost.
- Lists must be **detailed with a description and costs** of items
- No financial contribution may be requested for a service, an activity or material that can be financed by the MEQ
- Additional financial donations must be invoiced separately and clearly indicated as optional
- All administrative costs must be free.

## School Fee Policy Noon-hour supervision

- GB is responsible for establishing the organization of services offered and determining fees charged.
- Charges shall be **reasonable** and **based on actual costs.**
- Ratios for supervision
  - Due to differences in size and physical organization, each school shall determine a ratio based on their own specific needs and particular circumstances.
- Fees may only be charged to students who stay at school during noon-hour.

## School Fee Policy – ACTIVITIES

Fees may be charged for activities:

Held off school grounds

Offered with the participation of external service providers

- Parents must be provided with the **reason** and the **details of the costs.**
- Fees must be kept to a minimum, be reasonable and reflect the actual costs
- The Field Trip Policy must be respected.
- The school must ensure that no student who demonstrates interest in an educational activity be excluded because of a lack of funds.

## **School Fee Policy - Special Projects**

Fees may be charged for services provided within the scope of special school projects:

- certification by an outside body in order to carry out the project
- the issuing to the student of a certificate by an outside body within the scope of the project

## **Charitable donations**

### Donations that QUALIFY for a tax receipt

- Cash Donations: In most cases donations in the form of cash or cheques can usually be receipted in full where there has been no consideration given to the donor in any form.
- Donations of Goods: The school board may issue a tax receipt for donated goods provided the value of the goods can be clearly established.

### Donations that DO NOT QUALIFY for a tax receipt

**Gifts of Service**: An eligible donation must be a gift of property.

- Pledges or promises to donate: The property must be actually transferred in order to be eligible for a receipt.
- Fees charged to parents: This includes payments received from parents so that their child can attend a field trip or other activity.
