Sir Wilfrid Laurier School Board - Re-registration Process 2026-2027 School Year

The **re-registration period** is from January 5 to 9, 2026.

As of January 5, after 7AM, parents **must** complete the re-registration process for their child through the Mozaïk Parent Portal.

Only those with parental authority have access to the re-registration process in the portal. Once one parent has completed the re-registration process, the other parent may no longer make modifications to the re-registration information.

Re-register your child in just a few clicks: quick, simple and paperless!

All parents must complete the re-registration process to ensure that their child is officially registered for the 2026-2027 school year.

You will need to verify that all information concerning your child is accurate and then confirm your child's re-registration. You will be able to **modify** your telephone numbers and **indicate** a change of address for the current year or the next school year.

Should you have any questions, please contact your child's school.

Further information will be sent to you concerning course selection at the secondary level in February and daycare registration in May.
