## Coordonnées / Contact

As a proud resident of this neighborhood for over 18 years, I am deeply invested in the growth and success of our community. Being bilingual allows me to communicate effectively with a diverse range of families and ensure that every voice is heard. As a parent of two children who have attended Laval Junior Academy and Genesis Elementary School, I understand firsthand the importance of strong schools, supportive teachers, and engaged leadership. My participation in municipal campaigns has strengthened my commitment to public service and community involvement. I am ready to bring that experience, dedication, and passion, to the role of a school commissioner.

## Coordonnées / Contact

First and foremost, I believe deeply in the strength and importance of our English public education system. I am proud to have entrusted both my children to schools within the SWLSB and to have served as chair and vice-chair on multiple school governing boards. These roles have given me a clear understanding of the challenges our schools face and the opportunities we have to better serve our students and staff. A vibrant English community begins with a strong, inclusive education system—one that gives every child the skills, confidence, and support they need to succeed in an increasingly digital and interconnected world. As an IT executive with many years of leadership experience, I have seen how technology, collaboration, and innovation can transform organizations and deliver real, measurable results for the people they serve.

That is why I am asking for your support to serve as your next commissioner. I am committed to strengthening our English education system, supporting our dedicated educators, and ensuring that every student can reach their full potential. Together, we can protect our rights, invest in our schools, and build a stronger future for our community.

Thank you for your support,

Bonjour chers électeurs, électrices,

Je présente ma candidature au poste de commissaire à la Commission Scolaire Wilfrid Laurier le 22 Mars 2026. Les défis importants en éducation ayant deux adolescents aux études motivent ma candidature, joindre une équipe pour relever ce mandat d'excellence et de bienveillance envers les élèves m'interpelle. Partager mon expérience en synergie avec les parents, soutenir la Commission dans sa vision sans perdre de vue notre priorité à tous; les étudiants et le personnel enseignant, leurs droits et bien-être en santé mentale et physique, pour s'assurer de leurs succès présents et futurs.

Merci.

## Lorenzo LAGATTA

## Coordonnées / Contact

My name is Lorenzo Lagatta, and I am a candidate for the Sir Wilfrid Laurier School Board by-election in Ward 9, serving Genesis, Jules Verne, Saint Paul and Saint Vincent Elementary Schools. I am a proud and involved father of three boys, and like many parents, I know how much our school's matter—not only for learning, but for children's well-being, family support, and the strength of our community. I am actively engaged in my community and believe in cooperation, respectful dialogue, and clear communication. I am comfortable working in multiple languages, which I see as an important strength in serving a diverse and inclusive school community. A strong public school system must ensure that every student—regardless of ability, learning profile, or background—has the support they need to succeed. One of my priorities is strengthening services for students with special needs by supporting evidence-based interventions, improving access to specialists, and ensuring teachers receive the training and classroom support they need. Good school governance requires listening carefully, making informed decisions, and acting transparently in the best interest of students. If elected, I will work constructively with school staff, parents, and community partners to support student success.

If elected, I will serve with dedication, fairness, and responsibility, and work to ensure every child can thrive.
