

COMMISSION SCOLAIRE SIR-WILFRID-LAURIER
SIR WILFRID LAURIER SCHOOL BOARD

October 2, 2026

Subject: Update | Laval Schools Consultation | Duvernay, Auteuil and Vimont

Dear Families and Staff of Saint-Vincent, Terry Fox and Saint-Paul Elementary Schools,

We are writing to provide you with an important update regarding the consultation on schools, attendance zones and the optimization of the use of buildings in Laval.

In June, the Sir Wilfrid Laurier School Board issued a public notice identifying several Laval schools and centres that could be considered as part of a consultation this fall. This notice was issued within the required timeline and allowed the school board to continue its analysis and, where appropriate, consult communities on possible changes for the 2027-2028 school year.

Since then, considerable work has been undertaken to analyze enrolment, attendance zones, building capacity, educational impacts, transportation, finances and other operational considerations.

Following a thorough review and analysis of the information available, we have decided that we will not proceed with the proposal of changes to the attendance zones of Saint-Vincent, Saint-Paul, and Terry Fox elementary schools. **Therefore, no changes will be made to the attendance zones of these schools for the 2027-2028 school year.**

The school board will continue its analysis of the use of its buildings throughout the Laval territory as part of its ongoing planning to address the declining enrolment that it faces in Laval.

Please note that the consultation concerning the relocation of CDC Vimont will continue as planned, as will the consultation regarding schools in Fabreville and Chomedey.

We thank families and staff for their understanding as we continue this important planning work, and we remain committed to keeping our communities informed as the process moves forward.

Sincerely,

James Di Sano
Chairperson
