

COMMISSION SCOLAIRE SIR-WILFRID-LAURIER
SIR WILFRID LAURIER SCHOOL BOARD

October 9, 2026

Statement from the Chairperson

On behalf of the Council of Commissioners, I would like to thank everyone who participated in our two public assemblies this week as part of the consultation on school attendance zones and optimizing the use of buildings in Laval.

We recognize that the proposed scenarios have raised significant concerns among students, families, staff and our school communities. We have heard many heartfelt testimonials and important perspectives, and we appreciate the time and effort people have put into sharing them with us.

Over the coming days, we will take the time to reflect on the feedback received and carefully consider the concerns and questions that have been raised.

We remain committed to making thoughtful, responsible decisions that take into account the needs of our students and school communities.

A special meeting of the Council of Commissioners will be held next week to discuss the feedback received so far and determine the next steps in the consultation process. We will provide an update following that meeting.

In the meantime, I wish everyone a restful Thanksgiving weekend with your loved ones.

James Di Sano
