SIR WILFRID LAURIER SCHOOL BOARD

**The Sir Wilfrid Laurier School Board is committed to providing schooling for all students, where each student is encouraged to maximize their full potential.**

**According to the Education Act, Sections 185: "Every school board shall establish an advisory committee on services for handicapped students and students with social maladjustments or learning disabilities."**

**The Special Education Advisory Committee (SEAC) of the Sir Wilfrid Laurier School Board is composed of:**

- Parents of students concerned
- Teachers
- Non-teaching professional staff
- Support staff
- A school principal
- The Director General or his/her representative

**The role of this committee is to:**

- Advise the school board on a policy for the organization of educational services for students with special education learning needs
- Advise on the allocation of financial resources to the services intended for these students
- The committee may also advise on the implementation of an IEP.
- While SEAC does not deal with individual issues, parents of children with special needs are welcome to attend the meetings.

You must have a child with special education learning needs to sit on the committee, however all parents are welcome to attend meetings. Visit the SWLSB website to find the dates of the meetings.
